Saturday escape garden behind
apartment lettuce window animals

Early one Saturday morning in May, I went to our fire escape window
and rubbed the sleep from my eyes. I looked down at the small garden
I had planted behind our apartment building. Five animals were grazing
on the new lettuce in my garden!

“Mama! Mama!” I called. “Come see what’s in our yard!”

Mama hurried over to the window and gasped. “Sonia, those animals are deer,
but how did they get here?” she asked. “I’ll run and tell Mr. Donovan.”
